The following is an examiner's statement of reasons for allowance: The art of record was not seen to disclose a character string processing method that: selected the encoding based on the number information and/or the position information of the replacement code, or 2) converted a second character to the first character string for collating and treated a replacement code as representing any character.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Howard L. Williams at telephone number 571.272.1815. The Patent and Trademark Office central facsimile number for application specific correspondence intended for entry is 571-273-8300.
